To give a rent-free house is an inconvenient arrangement which will encourage other officers of the Dept to ask for the same Consideration. I strongly support the Comptr's recommendation that Mr. Lakshmi-Narasimha Rao may be given a duty-allowance of Rs 100 pm. The Accts Dept of a Ry Admn is not less important than any other Dept. Its duties and responsibilities are heavy and onerous and the Salary allowed to its head should not compare unfavorably with that given to the heads of other Depts. For reasons given by the comptr in his present and previous communications on

The question of the emoluments of the Auditor, Mysore Railways, has come up for consideration before this. On a previous occasion the Financial Secretary recommended that it is reasonable to give him Rs.800. Recently, under orders issued about three months ago, the Auditor has been invested with larger powers, and there is some reason to think that as the head of an important department, the pay at present fixed for the Auditor is not sufficient. As, however, any change in the scale of pay may lead to embarrassment at the present moment, I am inclined to give Mr.Lakshminarasimha Rao the maximum of his salary. In that case, Mr.Bishtopanth Badami will have to be given the same pay and certain powers and functions of the Comptroller may be delegated to him as recommended once before.

It has to be noted that the matter came up before Council on a previous occasion and they were not agreeable to any enhanced emoluments. The present application, however, brings forward a new argument, viz., the proposed transfer to Mysore. It is not quite clear why the Auditor considers the rent payable in Mysore as an additional expenditure when he is not provided with a free house in Bangalore. However the matter may be considered again in Council.

Submitted to His Highness.

The Railway Audit Office will shortly be shifted to Mysore and it will not be possible for the Comptroller to control from Bangalore the work of this office as closely as hitherto. It is, therefore, necessary to delegate more duties to the Auditor and devolve more responsibility on him. In view of this consideration, the Comptroller has recommended the grant of a Duty Allowance of Rs. 100/- to the Auditor. This proposal was considered in Council on 30th November 1922 and it was held that the Auditor might be granted a Duty Allowance of Rs. 100/- in addition to his grade pay. The Audit Department is a very important Department of the Railway Administration and its head is now given Rs. 600 - 800 which is lower than the pay allowed to the other Heads of Departments - the Loco Superintendent and the Traffic Manager. The Auditor has to challenge the unauthorised financial transactions of the other Heads of Departments and even of the Agent and in view of this and of the additional responsibility devolved on him it is necessary to improve his emoluments. The responsibilities of the office are very great and it should carry emoluments at least equal to Rs. 1,000/- per mensem, but in view of the financial stringency, the Duty Allowance of Rs. 100/- will, for the present, meet the case. The recommendation of the Council to grant a Duty Allowance of Rs. 100/- per mensem may, therefore, be graciously sanctioned.

SIR,

I have the honor to forward herewith for the favourable consideration of Government, a letter addressed to me by Mr. Lakshminarasimha Rao, Auditor, Mysore Railways, requesting that he may be furnished with a rent free house at Mysore whereto the Railway Audit Office, I understand is to be transferred shortly and the grant of a duty allowance of Rs.100/-.

As Mr. Lakshminarasimha Rao will be required to pay one-tenth of his salary as rent for the Railway quarters which will be -- provided for him, and as his transfer to Mysore with his office will necessitate his being vested with enhanced powers, in regard to -- which I will address Government separately, it is necessary that his salary should be fixed at an amount which will not only enable him to reimburse the additional expenses, he will be required to incur in consequence of the transfer, but also to maintain his dignity as an independent Audit Officer of the Railway Audit Department.

15)

I therefore request that the proposals submitted with my letter No.163/Rys dated 17-8-1922 may be kindly reconsidered and the grant of the duty allowance therein recommended -- sanctioned.

Sir,

Under orders of Government No. I.C. 2596-6021 / I & C.96-22-4 dated 23-10-1922 the Audit Office has to shift to Mysore and be located in the Exhibition-Buildingsthere, I request that I may be granted the following concessions as in the case of Mr. Abdul Aziz Khan (Vide G.O. No. 2296-7 / C.S.64-22-3 dated -- 28th October 1922) the Traffic Manager viz :- A rent-free houseand -- Duty Allowance of Rs. 100/- as my responsibilities are necessarily -- increased in being removed to a different place and the house rent which I will have to pay at 10% of my salary should be Rs. 72/- which I can ill-afford to pay or the grant of a Duty Allowance of Rs. 200/-.

I need hardly state that being removed from the Head-quarters where the head of the Audit Department and Finance Department is situated -- my responsibilities are considerably increased and that a Duty Allowance would not be considered unreasonable while the grant of a rent-free -- house or another Rs. 100/- would just cover the rent payable.

I have the honour to be,
Sir,
Your most obedient servant,

T. Lakshminarasimhadas
Auditor.
